

Scratch Bakeshop || 41 Russell St, Rochester NY

Thank you for thinking of us for your special day! We would love to show you the delicious, beautiful and unique dessert options we can provide for your event or wedding day. Our tastings give clients an opportunity to try a variety of our product to see the different flavor and textures we offer. Additionally the bakeshop is open Wednesdays-Saturdays from 10-3 where we have several items that can be purchased individually, including cake slices, cupcakes, cookies, brownies, french macarons and more.

### **TASTING OPTIONS:**

#### **Option 1. Classic Tasting: \$30**

A sample box of 12 mini naked cupcakes in our four most popular flavors; Chocolate, Vanilla, Red Velvet and Carrot Spice. We pair these mini cupcakes with a labeled set menu of our most popular fillings and frostings for you to mix and match. There are no substitutions for these flavors and they cannot be customized. To create your own cake see our other options below!

#### **Option 2. Tasting with 4 inch Take Home Cake: \$45**

The classic tasting with the addition of a 4 inch cake, in a flavor of your choice, to take home. This gives our clients a chance to customize their own cake to see if it is exactly what they would like. All of our cakes are 4 layers of cake with 3 layers of filling. The cake, filling and frosting can be done in any combination you wish. We recommend checking out our flavor list as well as our favorite cake combinations to help you choose!

#### **Option 3. In house Champagne Tasting: \$100**

Come into our shop and meet with our owner to go over all your menus, questions and concerns in person. Enjoy your classic tasting while sipping on Champagne in the privacy of our second floor tasting room. This tasting also includes a 4 inch take home cake option as well, in the flavors of your choice. Clients should anticipate this appointment being about one hour in length.

**Scheduling a tasting:** Tastings are only available for orders that exceed \$400 in value. Tastings are scheduled, with a one weeks notice for pick up, or a two week for in house, by appointment only. All tasting options are available in Traditional, Vegan, Gluten Free, or Vegan & Gluten Free. If you need multiple allergen options you will have to place an order for multiple tastings. We do ask that only two people attend the tasting as our shop is very small.

**What to expect:** The most important part of the tasting for us is getting to know you and what your vision is for your wedding day or special event. We take each and every encounter we have with clients very seriously and personally. It is helpful for you to review all attachments we send to you in advance. If you are meeting with us in person for your tasting, we always recommend that you bring a notebook and any pictures that you may be using for inspiration. If you are taking your tasting home to enjoy, we recommend taking notes and sending us your thoughts and questions via e-mail following your tasting.

We look forward to working with you!
